  	<b>Arden Jaguar Leaper</b>  In 1985 Jochen Arden was the first one who made it possible to complete a Jaguar again. The Arden Jaguar Leaper is optically and technically perfectly manufactured and an expression of Arden's love for and attention to detail. Quality made in Germany. The leaper has the same length as the original one with 12 cm to ensure the originality of the shape and the proportions.  Your advantages: <ul style="list-style-type: none"><li>* Lifelong corrosion warranty</li><li>* Exclusive safety fastening</li><li>* Fast and easy installation</li><li>* Removable with one grip</li></ul> The original Arden Jaguar Leaper possesses over a sophisticated security fixing and TÜV certificate. The Arden Leaper will be delivered together with a TÜV certificate in an exclusive present box. The leaper is also available in gold or painted in the colour of your car. Just ask our staff about it.  Lifetime corrosion warranty Arden grants a lifelong corrosion warranty for all leapers bought in 11/2011 or later. If your leapers starts to rust we will replace it for free. The warranty does not apply, if the leaper has been damaged. The warranty is only valid to the original purchaser under presentation of the original invoice.	<b>AAK 42000 3</b>  <b>415.00 USD</b>
